

TRAVEL CHARGES

- Travel Charges are per yard location and shared between all liveryes booked in.
- Minimum **weighing** spend per yard is £20
- Minimum **spa** treatment spend is £100 and can include weighing
- Minimum treatment spend reflects time spent setting up and packing away. For example, the spa takes 1 hr to set up / pack away at each yard and a further 2 to 3hrs to clean and disinfect the horsebox and equipment at the end of each day so regrettably it isn't viable for less than £100
- Minimum spend excludes travel charge
- Travel Charge to Essex and Hertfordshire includes Dart Charge
- If your postcode isn't included, please message me for a quote info@thehorseboxspa.co.uk. Travel is up to 75 miles from TN5

Area Days

- $\frac{1}{2}$ **price travel** for spa on Area Days. Cost is shared with other the yard booked in (max 2 yards per day for spa treatments)
- **Weighing ONLY** clinics are exempt from travel charge. If spa booked in addition to weighing, travel charge is applicable.

Private Days

- If the total duration of your yards spa treatments is more than 3hrs then you will need to book a Private day.
- If the day you want to book isn't advertised as an Area Day for your location then you will need to book a Private Day
